WHO IS THE FATHER AND DAUGHTER CAMP FOR?

The Father and Daughter Camp is designed for girls 7-11yrs and their Fathers.

CAMP BENEFITS

The Father and Daughter Camp is a facilitated overnight bush camp set in the spectacular Byron Bay hinterland. The program provides a great opportunity for fun and adventure with Dr Arne's team.

It also offers a safe, distraction - free environment for fathers and their daughters to share one on one time together, which is so important yet often so rare in today's busy world. We have created a beautiful, natural and safe place for you to really show your daughter how much you appreciate her and gain a better understanding of her needs as she grows into a young woman. The camp includes lots of interesting and fun activities, and we also spend time supporting dads to think about what they need to do to give their daughters the energy, attention and guidance they need at this important time in their development.

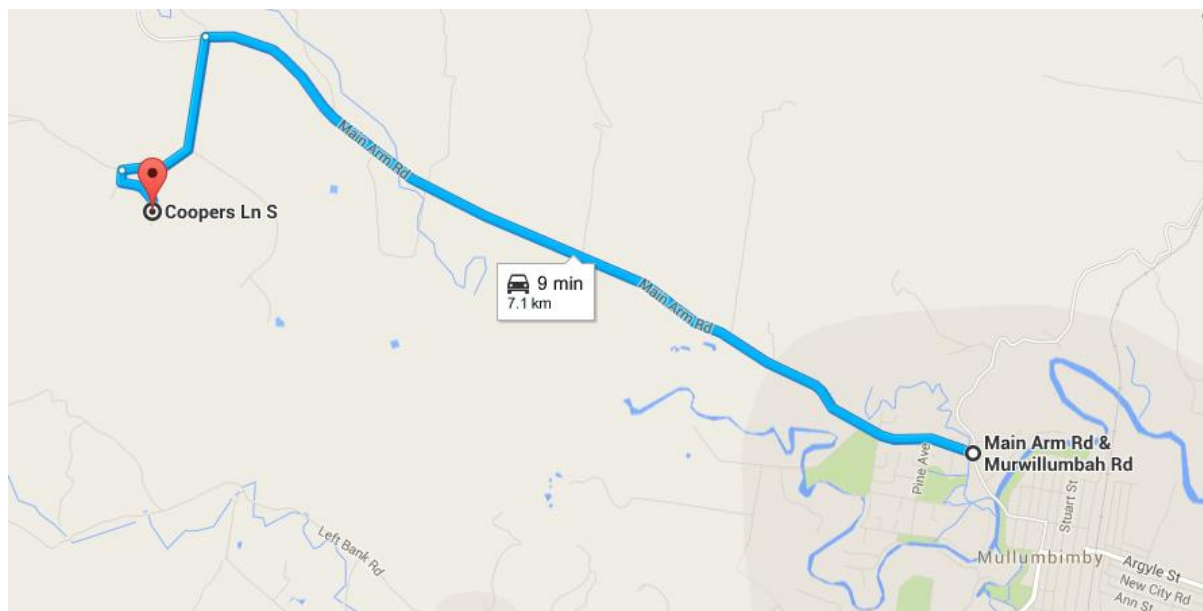

ARRIVAL

We will be meeting at YarraKoorra at 10am on Saturday. It is very important you are on time, as we need everyone to have arrived before we can start the camp.

By Car

From Mullumbimby's town centre, travel along Main Arm road for 5km's. Turn left into Coopers Lane and drive for 1 km then turn left into Coopers Lane South. Take the first driveway on your right and go straight ahead, through the gate, to your right; you will see the parking area (a grassy and open space). There will be space to leave your car for the weekend. If you are being dropped off, the pick up point on Sunday will be the same location as drop off.
